

PDS+CELONIS

PRESENT:

celonis

DATA @ CELONIS

PDS is hosting Celonis, a world leader in helping businesses maximize performance and problem-solve. They'll be conducting a case-study workshop on an exciting area of data science called "Process Mining". Celonis will also be discussing recruiting opportunities and give you the chance to ask any questions about jobs in data science.

WHEN: FRIDAY, FEB. 19 @ 5PM EST

WHERE: ZOOM! MEETING ID: 203 938 24 41
